

Bring Up Your Creativity and Motivation

COURSE SUMMARY:

This course will benefit anyone involved in education who seeks to understand and implement strategies that enhance creativity and motivation in learning environments.

Throughout this course, participants will be involved in an array of effective methodologies and hands-on activities carefully designed to amplify motivation and ignite creativity among participants. They will delve into dynamic strategies crafted to transform the learning journey inspired by interactivity and engagement. Participants will discover diverse approaches to nurturing creativity, empowering individuals to think outside the box and embrace new perspectives.

By the course's conclusion, participants will be adept at

cultivating a vibrant atmosphere that encourages collaboration, critical thinking, and problem-solving. They will know how to use some triggers and creative stimuli to encourage creativity and make learning more exciting. This will change dull routines into fun and interesting activities that everyone can enjoy.

TARGET GROUP(S):

- teachers - primary, secondary, vocational, university, adult
- teacher trainers and staff in education
- anyone involved in education
