

COURSE SUMMARY:

The course is aimed at all teachers, staff, professionals, and persons working in culturally diverse educational contexts. Its main purpose is to develop adults' public speaking skills by using drama techniques and also to improve their communication and presentation skills.

The course is aimed at developing and fostering:

- Interpersonal and intrapersonal communication skills
- Storytelling and presentation skills
- Communicative competence in a foreign language (English)
- Oral communication skills in digital environments
- Metacognition, entrepreneurship, and employability

TARGET GROUP(S):

- teachers - primary, secondary, vocational, university, adult
- students
- teacher trainers
- staff in education
- working age population (18-65) with the fear of public speaking
