

# BOOSTING ADULT LEARNERS LITERACY: GET TO KNOW A NEW APPROACH AND ACTIVITIES TO DO IT!

We invite adult education providers and professionals to join the consortium in planning and implementing a set of initiatives empowering adults with unmet literacy needs to actively engage in their local communities.

This initiative is promoted in the scope of the CitizensXelerator project, and from February to July, different activities will be promoted in Portugal, Spain, Croatia, Romania, Greece, Italy, Ireland and Germany fostering the financial, entrepreneurial, digital and sustainable literacy of adults with unmet literacy needs.

In this context, the consortium will promote initiatives such as brainstorming sessions, events and actions to on relevant topics to the local community and training sessions, based on the main resources produced in the project:

- Citizens Xelerator Model and kit
- [Citizens Xelerator Action Lab, Think Tank, Action Days, and Microlearning sessions](#)

## Get to know more about the Citizens Xelerator

Citizens Xelerator project aims at strengthening the democratic and civic literacy and social empathy of adult learners and contributing to a systemic change in fostering adults' participation in democratic life, embracing common values and civic engagement. Citizens Xelerator consortium includes 9 organizations from 8 European countries: Portugal, Spain, Croatia, Romania, Greece, Italy, Ireland, and Germany as well as 8 associated partners.

This project brings together adult education experts and organizations from across Europe to enhance adult participation in democratic and civic life. At this stage, the network integrates 16 organizations (9 partners and 7 associated partners), but we are looking for new members!
